3. The Commission shall have duties and responsibilities, including but not limited to, the following:
 - A. Plan, promote and implement state and local observances of Arizona's Centennial held between February 2011 and February 2012;

 - D. The master plan may include, but is not limited to, the following five key strategies that will drive program development and delivery in each of Arizona's 15 counties:
 - Create and leverage opportunities to increase awareness and a shared understanding of what it means to be an Arizonan;
 - Create and leverage opportunities to participate in, commemorate and learn from Arizona's history, heritage and diverse culture;
 - Deepen Arizona's approach to educating Arizonans about their State's diverse heritage, natural resources, people and cultures;
 - Leverage Arizona's Centennial as an opportunity to develop a sense of conservatorship among Arizonans for future generations; and
 - Establish funding opportunities to support major events and activities at the state and local level.
 - E. The Commission's master plan shall devise a timetable and budget for completion for all parts of the master plan and the Commission shall submit an initial draft of the master plan to the Governor by November 1, 2008. 4. In carrying out these responsibilities, the Commission may:

All State agencies shall provide reasonable assistance to the Commission as requested in order to ensure a fully coordinated State effort for commemorating the Centennial of Arizona's statehood.
5. In carrying out these responsibilities, the State anticipates that:
 - A. The members of the Commission will create a not-for-profit corporation to raise funds and to assist in the implementation of the master plan relating to the Centennial commemoration of Arizona's statehood in 1912;
 - B. After proper incorporation, the not-for-profit corporation will apply for tax-exempt status under Section 501(c)(3) of the Internal Revenue Code (26 U.S.C., Section 501(c)(3));
